Lincoln Theatre - Beverage Service

The Lincoln Theatre will provide all of your beverage needs for your event. If your function is in need of alcoholic beverages they must be purchased through the Lincoln Theatre. State law prohibits our guests from bringing in any alcoholic beverages. If the Lincoln does not carry a particular brand of beer, wine or liquor that you require we will make every effort to obtain those beverages. You will be charged for those beverages at full price. Arrangements can be made to return any beer or wine that you and your guest do not consume when your event is over. Any spiritous liquor will be charged at full price but due to state laws it can not be transferred to you. All beverages will be sold in disposable glassware. If your event requires glassware you will need to arrange it with your caterer. To assist in making your event as smooth as possible we need to know what your requirements are.
