PATTERNZ SUMMER CAMP 2019

Lincoln Theatre Summer Camp will consist of **6 one-week camps for children ages 6*-13** designed to spark creativity and a passion for the arts through experience with multiple art forms.

Facilitated by graduates of the **Lincoln Theatre's Artist Incubation Program** and **CATCO is Kids! educators**, campers will begin each day with affirmations of excellence, then rotate through workshops in dance, theatre, music, and visual arts. At the end of each week, campers will put on a program for their families to show what they've learned throughout the week.

And every artist knows it's important to be well-rounded! Children will also participate in activities offered by our Summer Camp partners:

- **The Ohio State University Wexner Medical Center** will provide weekly STEM off-site activities in health and science adventures for ages 9-13 years only.
- **Columbus Area Integrated Health** will facilitate weekly sessions on the harmful effects of alcohol, tobacco and other drugs.
- **Local Matters** will teach clean food preparation.

You can choose whether to enroll your child in certain weeks, or every week, of camp this summer. Each week will offer different activities, including off-site field trips, to keep the fun rolling!
